STUTT GART

WELCOME TO DEUTSCHKOLLEG STUTTGART

The automobile was invented in Stuttgart and spread mobility from here around the globe. Nowadays people from a lot of different countries come here to learn German. Many choose the Deutschkolleg Stuttgart in the Ecumenical Centre.

You too should choose a quality brand for your language training. Deutschkolleg Stuttgart leads you through seven modules to the TestDaF qualification. This is the goal for many of our participants, as it opens the door to studying at German universities and polytechnics. For the courses at Deutschkolleg Stuttgart this means:

- the students have a second-level qualification
- they are young and motivated
- the speed of learning is high

In the automobile city speed is the thing! Not only that, Stuttgart also offers you an easy-going atmosphere – the famous German “Gemütlichkeit” – Swabian traditions and international flair. In the cafeteria of the Ecumenical

LEARNING GERMAN INTENSELY AND EFFECTIVELY

Start learning German step-by-step with new vocabulary and structures. In manifold and varied situations, you will practise your new language through speaking, reading, writing and listening. You will improve your skills constantly until you are able to express yourself freely and independently in German. Weekly tests give you feedback about your personal progress.

Qualified teachers are there to support and motivate you during the learning process.

Our teachers all have a linguistic or philological university qualification and take part in regular teacher training in German as a foreign language.
